Karlsruhe, April 13, 2021. The BVMW's Federal Economic Senate now has a new member: with Stefan Ulrich, CEO of the Simon Hegele Group, the committee is bringing a passionate representative of the SME sector into its ranks. Around 230 entrepreneurial personalities from a wide range of industries are members of the Federal Economic Senate, which, as an advisory body of the BVMW, provides creative impetus for politics and the economy and thus bundles the interests of small and medium-sized enterprises in Germany.

"Medium-sized companies are the success factor of the German economy. Therefore, it is a great honor for me to work together with great personalities of the Federal Economic Senate, to maintain the exchange with other experts and to represent the interests of medium-sized businesses out of this circle", says Stefan Ulrich.

Simon Hegele, headquartered in Karlsruhe, already joined the Bundesverband mittelständische Wirtschaft e.V. as a member on February 01, 2021, in order to strengthen the "voice of medium-sized businesses", as the association calls itself.
