

INNOVATION FOR 100 YEARS - MILESTONES IN THE SUCCESS STORY OF SIMON HEGELE

From operating as a moving agent to being a highly specialized logistics service provider - Simon Hegele has been constantly evolving for 100 years. Join us on a journey through our company history.

1920 - 1945 EARLY YEARS

The history of the Simon Hegele company begins in 1920 with one wagon and two horses. The name giver himself founded a furniture transport company in Karlsruhe, which was determined to grow steadily in the years to come. During the Second World War, the fleet of vehicles acquired up to the year 1939 was completely requisitioned. In the last year of the war, the company founder Simon Hegele died.

1946 - 1959 GENERATIONAL CHANGE

The forwarding company Simon Hegele, which to a large extent only exists on paper after the end of the war, is taken over and rebuilt by his widow Helene Hegele and the children. In addition to carrying out removals, the Simon Hegele company also starts to deliver of dairy products to retailers.

1960 - 1984 THE DEVELOPMENT INTO A HIGHLY SPECIALIZED SERVICE PROVIDER BEGINS

In the beginning of the 60s, the first high-tech transports are carried out in addition to the removal business. Dieter Hegele joins the company in 1964 and over the next 20 years successfully drives the development of the company into a highly specialized service provider. 1974 Helene Hegele passes away and Karl Hegele leaves the company in 1983 due to his age. Kurt Hegele will actively advice and support the company until his death in 1997.

COMPANY HISTORY

1985 DIETER HEGELE BECOMES A SHAREHOLDER

Dieter Hegele becomes a shareholder of Simon Hegele in 1985. The company begins to offer anonymous component manufacturing and packaged delivery of devices to the end customer. This is succeeded by the changeover to unpackaged transport, the development of individual transport aids and the worldwide rigging of MRIs, including the systems assembly at the end customers location.

1988 - 2012 ABOVE-AVERAGE GROWTH AND EXPANSION

Simon Hegele becomes a globally engaged logistics specialist. Subsidiaries, founded or acquired, joint ventures and efficient locations at home and abroad ensure a dynamic growth spurt.
